

Rakesh Paramanick

AI Enthusiast

+91-9763348661 | rakeshparamanick24@gmail.com | Mumbai, India

Professional Experience

Jun 2025 - Oct 2025 | Full Stack Developer Intern

Perfectlyokay, Mumbai (On-site)

Full-Stack Developer Intern with hands-on experience supporting creative and production workflows through technology. Contributed to frontend design, visual layouts, and UI refinement, using AI tools to assist in rapid prototyping, visual enhancement, and creative iteration. Applied JavaScript to automate repetitive tasks, integrate AI-assisted features, and improve overall production efficiency. Collaborated closely with designers and creative teams to translate concepts into functional, visually engaging digital experiences.

Statement

Creative and detail-oriented AI Artist with a strong foundation in generative AI, visual storytelling, and AI-assisted content creation. Skilled in prompt engineering, experimenting with styles, and refining AI-generated visuals and short-form content. Possess working knowledge of JavaScript, enabling basic automation, workflow optimization, and better collaboration with technical teams. Eager to contribute to a forward-thinking production environment and grow as an AI-powered creative professional.
